

# R.V NORTHLAND INTERNATIONAL SCHOOL

Planner 2024-25

# VISION, MISSION & KEY STRENGTH OF THE SCHOOL

## Vision

RV Northland International School aims to inspire the minds and transform the society, to provide students a truly world-class education and a stimulating learning environment. RV Northland International School is focused on delivering education excellence to students to help in their overall development. With us, learning is done in a unique culture with priority to make students learn and implement things in an open environment. We ensure that students here learn the virtues of discipline and teachers instill dedication in them and commitment towards studies and worldly affairs. We pay special attention to digital education to help our students keep pace with the changing world and its technologies.

Our Vision is to deliver excellence in education, create an enriching environment and ensure overall development of students.

## Mission

Our mission is providing a positive, vibrant and inspiring environment where students are valued and encouraged to succeed in becoming lifelong learners. We are creating an environment of regular upgradation and higher studies for transforming the high quality professionals to meet economic and social standards. Our Values Character formation, Respect, Accountability, Excellence, Compassion, Human Dignity, Brotherhood, Equality and Justice.

## Key Strengths of the School

- Student Centric Education – A Conducive Learning Environment
- Environment & Ecology consciousness
- Positive approach towards Digital Information and Technology
- Collaborative work culture amongst faculty.
- Academic Excellence
- Safe Learning Environment
- Well equipped library.
- State of the Art Facilities
- Affordable education
