The Little Drippy's Rainbow Adventure

Once upon a time, a little raindrop named Drippy fell from a cloud.

As she danced down to Earth, she met Mr. Sun, who gave her a special mission:

“Go find the seven magical colours of the rainbow!”

So Drippy splashed into puddles, flowers, and trees—each one showing her a new colour. With every colour she found, she learned something new and exciting.

Let us follow Drippy's journey and explore the wonders of VIBGYOR!
